

ChannelCRM Crack +

Create an integrated sales solution that suits your company. If you own a business and want to sell more, you've come to the right place. We provide a complete software solution that covers all phases of selling, from lead capture to sales tracking, call recording to CRM management, as well as a fully functional CRM management system. ChannelCRM Features: Automated Lead Generation The ChannelCRM software automates the lead generation process, generating leads from online sources, social media, e-mail and the telephone. Ever find yourself trying to organize or create a task or event in your Outlook calendar or task management app? You're not alone, and here at ConnectiCal we're here to help. ConnectiCal is a set of free apps for Outlook, iOS and Android to help you manage your appointments, to-do lists, contacts and anything else that you want to keep organized in one place. App Description: • **GET CONNECTED TO OVERALL PLANNING:** Enter all of your appointments and calendar events from your Outlook and iOS calendars, including reminders, in one place for easy scheduling. View the full calendar, all times, or even a particular date range in a single screen. Make notes, set deadlines, and get reminders. • **MAKE SURE YOU'RE ON THE GO:** Swipe left and right through your calendar events, tasks, contacts and appointments to quickly view the next item. Make sure your next appointment, meeting or meeting reminder is visible to you and others. • **UNIFY YOUR TO-DO LIST:** Understand all of your plans and projects, and where you can help next. See which tasks are priority and which ones are accomplished. See what tasks are relevant to your daily and long term plans. • **KEEP IN TOUCH WITH YOUR CONTACTS:** See contact information, social media, and notes in one place. All of your contacts, whether they have LinkedIn, Facebook, Twitter or other profiles, are organized for quick access to all of their details. With notes, you can leave a quick note for someone in your contacts, and view it immediately. • **IMPORT INTO THE CONNECTI CAL APP:** Import appointments, to-do items and contacts from a calendar, task management app, Google Calendar or other app. Create the perfect personal schedule, create your entire contact information, plan an event and even search for events and

ChannelCRM Crack +
