

Download Novel The Da Vinci Code Bahasa Indonesia Pdf

The Da Vinci Code, Dan Brown's popular detective novel, drew criticism and controversy when it was published in 2003. . . In his new book, bestselling author Robert Langdon wakes up in a hospital room. He does not know how he got here and what is happening around. Who is he, where is he and what does the cryptic phrase uttered by the man he just hit with his car mean: "ἀπὸ τοῦ ἀρχαίου τοῦ ἑσθίου ἔστι τὸ μυστήριον". After regaining consciousness, Langdon begins to ask himself questions and receives answers to them, which gradually remove the veil of secrecy from the incomprehensible and supernatural history taking place around him.
