

. . . Not so long ago I was in awe of one movie. It was the film "Obsession". Yes, yes, the same one that was mistakenly recorded in the Doctor Who trilogy. I thought for a long time whether to write a review about this picture. I didn't watch it, just looked at the reviews. And I came to the conclusion that, apparently, it is worth it. If you expect this film to be like Obsession, then you are sorely mistaken. There will be no action in it, but only drama, where the main character will desperately try to save his beloved.
