What's New In?

1)You will need your Yahoo! Briefcase file in a Windows or Mac compatible drive to be able to view it via the Widget. 2)You must be an active member in the Yahoo! Briefcase group to use the Widget. 3)You must have at least one Briefcase folder created in your Briefcase to access it via the Widget. 4)Due to security reasons, you cannot edit or modify the Briefcase contents directly through the Widget. 5)Access to the Briefcase does not require any special permissions from Yahoo! How to Use: 1)Login to your Yahoo! Account and go to the Widget Control Panel in the yahoo.com/briefcase/controls folder. 2)Click on the "Login" button in the Widget Control Panel. 3)Use the "Browse" button to go to your Briefcase folder on your computer. 4)Use the "Upload" button to upload the Briefcase contents to the Widget. 5)The "Upload" button will ask for a folder location. Use the browse button to choose the folder and press OK. 6)Use the "Browse" button to upload the Briefcase contents. After the upload completes you should see the briefcase icon in the widget. 7)To exit the Widget you can either use the "Login" button or click on the "Quit" button in the Widget Control Panel. Note: In order to view your Briefcase on your phone you must download the widget to your phone by first adding the Yahoo! Widgets to your phone through the web browser of your phone. To do this follow these steps: 1)Go to the Widget Control Panel. 2)Select "Add this site to your home screen". 3)Tap "Add" and wait for the Widget to appear on your phone. 4)Click on the Yahoo! Briefcase Widget and you will be able to view your Briefcase contents on your phone. In addition to viewing your Briefcase contents, you can use the Widget to download the Briefcase contents to your phone. Follow these steps: 1)Go to the Widget Control Panel. 2)Select "Add this site to your home screen". 3)Tap "Add" and wait for the Widget to appear on your phone. 4)After the Widget appears, select the "Download" option. 5)You will see the Briefcase contents to download. You can download the Briefcase contents to your phone in one of the following ways: -Drag the Briefcase contents to your phone's home screen. -Double-click on the Briefcase contents on the Widget. -Tap the "Download" button. How to Delete the Yahoo! Briefcase Widget: 1)Go to the Widget Control Panel.
