View/Open Date Author Metadata Abstract On the first day of school, each student is given a copy of a binder, and a permission slips must be signed to agree to several rules and expectations including no food on school property, proper clothing, standard dress, and laundry. Permission slips with signature must be returned. As students are taught and informed of what students are expected to be and act as teachers, parents must be made aware that their children are entering the school year with their own set of expectations. As students bring their own set of expectations with them to school, parents must be informed of their children's expectations and how they should be addressed in school. A document that will act as a Parents Handbook for Second Language Learners can be created by an English teacher and presented to parents and students. The students can read the Parents Handbook in class, and return it to their parents. This document will prepare students for school, give parents a means to communicate with the teacher, and provide a record for the English teacher of what students are thinking and feeling about ESL.Q: How to incorporate size limit to perform post request with Retrofit? I am new with Retrofit? I am new with Retrofit and unable to grasp size limitation issue. I am trying to send image and text through post request. I have used size for image in form of fileInputName but I don't know how to set "limit" size to avoid sending huge data.
