## **Introduction:**

The fantasy RPG known as *Elden Ring* (*Elden* for short) is the very first complete fantasy RPG developed by the company *Krasnystroy*. Even though it was released on August 11, 2011, *Krasnystroy* has always been known as a creator of long-lasting and attractive games that deserve a lot of attention. We hope you'll enjoy this new action RPG based on the characters and world of the popular *Elden Ring* manga and anime.

## **Design Concepts:**

The *Elden Ring* RPG was designed to be much more than simply an action RPG. It was also designed to be interesting and entertaining all the way through. It's important for an RPG to keep the player's interest by having a variety of things happening all the time.

It's easy to say how it's easy to do that in a contemporary action RPG as *Fate/Stay Night* and *Akatsuki no Yosei*. The goal is to create an atmosphere of balancing the different mechanics of the game's world to make people enjoy playing your RPG.

Yet, when you consider the fact that this is *Elden Ring* it'll be different.

First, gameplay mechanics should be intuitive and easy to use. A game where the player understands what's happening at any time is the best type of game.

Second, you should make the players feel a sense of accomplishment. Even if players lose or find less points, they should still have feelings of accomplishment when they beat bosses.

( 4/5 – GamePress: "GTA: San Andreas has been on my list to play for quite a while, but this game gave me hope that Rockstar Games might be getting back into the good tracks again. A Classic fantasy setting with a whole new outlook and a story as intriguing as Malleus Maleficarum, this is a unique game and a must buy." ( 4/5 – IndieGames: "One of the best games on the App Store ever. Don't let it fool you. Even though it is a one-button RPG, this game is not like any other RPG you have ever played in your life. If you love RPGs or are just looking for an amazing one-button to play, this is definitely a game you shouldn't pass up." ( 4/5 – GameZeb: "The Elden Ring Product Key is an amazing game, I think it's one of the best action RPG games in the App Store. The story and battle system is unique and is a pleasure to play. Highly recommended!" ( 4/5 – TouchArcade: "It's fantasy, it's one button, and you've been looking for a game like it. (...). If you can get past the rough edges, you will be rewarded with one of the most complete and addictive RPGs you could ever want. It's is a truly epic journey." ( 4/5 – AppSpy: "This game is visually stunning and enjoyable, something I can see myself getting lost in for hours on end. A tale worth telling and time is well spent with a game like this." ( 4/5 – TechGenies: "This game is a high fantasy RPG with tons of content and very intuitive mechanics. If you are looking for an RPG that will have you coming back to it to see what
