List of Eastern Kentucky
Colonels football seasons The Eastern Kentucky Colonels football
team competes as part of the NCAA Division I Football Bowl
Subdivision (FBS) in the Ohio Valley Conference (OVC). The team's
current head coach is Geoff Collins. The Colonels play their home
games at Bailey–Hawkins Stadium in Richmond, Kentucky and are
currently members of the FBS Independent. They have played their
home games at Doyt Perry Stadium since July 20, 1990. Eastern
Kentucky began playing football in 1916. This is the team's 44th
season since beginning play. The Colonels have competed in the
NCAA Division I-AA, Division I-AA/I-AAA/FBS and Division I FBS levels
of football. They have never played in the Division I FCS level.
Seasons References Eastern Kentucky *1. Field of the Invention The
present invention relates to an image forming apparatus using a
recording medium formed by a paper-like flexible sheet that has a
photosensitive layer and an image is formed by a developing unit.
2. Description of the Related Art Recently, research has been
conducted on an image forming apparatus that has a
photosensitive drum and a carrier bearing a developing unit and is
mounted with a transfer belt used as a recording medium and on
which an image is transferred (for example, refer to Japanese Laid-
Open Patent Application No. 2005-324774). In this type of image
forming apparatus, high photosensitivity of the image forming

apparatus is desired. To achieve this, in this type of image forming apparatus, generally, a mechanism that stabilizes the tension applied to a transfer belt is provided. However, the pressure applied to the image forming apparatus may exceed a proper value due to not only the driving of the image

Features Key:

The Barriers Between Realms The world brimming with rich aspects and unforgettable drama. (Exploration of the world, Dynamic battle scenes, An online game-within-a-game for the Asynchronous Online system, the stories of a variety of characters, and more.)

Lords and Factions In the continuous journey between Kingdoms and Castles, along the roads, through the forests, and in the dark dungeons, the faction battles between lords and heroes are taking place with the fated prophecy at stake. (The planned final skirmish, a map, and the quick battle system during progression.)

A Three-Dimensional World The game is structurally designed based on a three-dimensional world. Areas you enter are carefully composed to ensure an exciting and relatable gameplay.

A Minimal Interface The interface designed to yield a great gaming experience with a simple minimization, maximum information readability, and an easy on-screen transition. (The home screen, minimization and enlargement of D-pad inputs, and an interface of menus, shops, and maps.)

First impressions of the game

North of the Barriers of All Realms
