Elden Ring Key facts:

- Under the perfect vision of a goddess, the world which contains a multitude of monsters and people freezes over—in a single moment.
- Upon eruption, a world was buried, and creatures of all kinds that have lived in harmony for the previous time froze over. This is how new lands called the Lands Between appeared.
- You, as a hero on a quest for a perfect world, and those who fought with you against the threats that

arose in those lands, are called the Elden Ring.

- As the leader of the people, you not only live in the legend of the Lands Between, but carry it with you into the outside world as a title.
- Those with the Elven blessing or the fruit of Orcs blood are Elden Lords. The Elves of the colors of the rainbow carry enchantments. The Dwarves, the Elfkin, and those with the fruit of the Earth carried the power to control the land.
- Tested jewels from the magic of the Dwarves give off a vibrant starlight. Their power connects to powerful magic.

MAGA CULTURE FILM CLUB: The Trump Card A film by A film by R.J. May (Source: Donald Trump's official Facebook page) REVIEW VIRAL VIDEO: MAGA CULTURE FILM CLUB: The Trump Card By Rosemary Ural The Trump Card introduces us to R.J. May, a successful educational author and filmmaker who has written and produced many films. His film The Trump Card ("Full Circle" rating: 5/5) received critical acclaim after premiering at Sundance 2017, the American Spirit Film Festival, the South by Southwest Film Festival, and the En Géous Film Festival in Switzerland. May is here to tell us all about his educational film. REVIEW ABOUT THE FILM: The Trump Card is a documentary that explores Trump supporters' ideas and behaviors in reaction to the 2016 election. It's a film about a rise in blind allegiance to a political figure--specifically, Donald Trump--and a "winner takes all" mentality. The film seeks to explain how and why some Americans, in the face of a political system that is as broken as it is unfair, took a chance on a real-life hero they didn't even know before the election. (Source: Donald Trump's official Facebook page) ABOUT THE DIRECTOR: R.J. May has a history of political and social activism, and in 2016, he was struck by the yearning and passion of many of his former liberal allies--how they wanted to find another option and believe in a new candidate who would be a kinder and more understanding president. Trump did, however, offer a thing that could not be ignored. FULL CIRCLE (5/5): "I felt like it was a real opportunity to tell a different story. What I didn't anticipate was the large response to the film, from both supporters of Donald Trump and those who also passionately campaigned for his opponent, Hillary Clinton." "The people who were on the fence about him and turned out to vote for him really wanted to hear another story. A story that told them there was another way," May says. "They were very responsive to hearing a view that one of their own did not hold of President Trump. I am profoundly grateful for that." REVIEW ABOUT THE PREMIERE: The film had bff6bb2d33

The story of the Guardian Knights begins at a crossroads of Geonia, where Geonia's chief of police Lord Treff was transferred from Geonia to a military base called Camp Hogen in the neighbouring area of the country in the year 395, leaving behind on her death bed. The main character, who is the Chief of Police's young daughter, is named Puria. What is she facing in this new place that she has never seen before? After asking his father who he had to report to, the young lord entered his new office, which was furnished with a vast table and armchair where he sat down and awaited. He began to consider the first hour of his life as a Field Marshal, and then in the next minute he realized the dazzling and colorful image that appeared before him. A crown of thorns! As he saw the captive face of a woman he had never seen before, he felt himself recoil. The face of this woman was beautiful, but in spite of the beautiful face, her hair and complexion were scarred and she was wearing men's clothing, and with her hands tied with a rope, she was being walked by two boy-soldiers. His mind was suddenly distracted by the sound of footsteps, and he quickly glanced up at the hallway leading to the room he was in. It was a woman in front of him. Her beautiful brown hair was pulled back, and from the center of her forehead she had a scar with a mark on it. The woman who stood before him was an Elden Officer of the Guardian Knights. *** A short time later he was summoned to a dialogue room, where he met with a woman wearing a black dress and a large hat with an eagle symbol on it. "Good day, is it? Please welcome the Prince." The woman who had met with him in the office spoke politely. The man named the correct young lord, and offered his apologies that he had been absent for a few hours. "Prince, shall we begin," the Elden Officer said. The young lord nodded, and cast his eyes to the beginning of the meeting. "As you may know, this is a military base," said the male Elden Officer. "I already have a feeling for it," the young lord said. "I've only been here for a few hours
