Play Jump Again! and save a man's life! You must jump on him to save the world from the evil monsters that are chasing him! JUMP AGAIN! is a unique jump 'n' run puzzle game. Imagine You are a boy that is running at night, and all of a sudden you hear a crash on the stairs. You open the door and find a man on the floor. And when You try to help him he tells You that the monsters are coming and You must save him...! You must help him by jumping on the monsters and run for the exit. Game Features: - The game is fully designed, the user interface is very clean and simple. - Swipe the screen to jump the player! - The player can use keys to control the player. - There are many monsters, You must avoid them all! - You can get new power ups to help you. - The game keeps track of your progress, give you score, and win points based on how many more the player wins. - You can play against the computer. - If you run out of health, You will die, so be careful! - There are also many achievements! - Various sound effects to help you focus on the game. - If You touch the screen while you are moving, the player will stop. If You touch the screen while You are waiting, the player will move. - You must avoid all the monsters, the more You jump, the more the monster will jump. - This is one of the few games that can be played in two different

ways: easy mode, and advanced mode. - You can play for free, or you can unlock more achievements by paying. - There are many power ups, and You can also get many items from the museum when You beat the game. - When You complete one or all achievements, You will get more score, and You can also get extra lives. - The game also has a leaderboard. - Contains all the basic cave elements for the game interface in this genre. File Details - File Size: 3.5 MB - Dimensions: 1920x1080 - Included PSD file PNG files Image and video List for Description Note: - The images of animals, plants, and objects are all collected from the internet - We are not in any way responsible for the products that are listed in this game?
