The new gameplay engine, which is used by the developers at EA Tiburon, provides improved artificial intelligence, sprint controls and tackling to provide a much more authentic simulation. This is the first time that all FIFA players can run, pass and shoot with the same fluidity and speed as professional footballers do in real matches. Since FIFA Ultimate Team, the largest part of EA SPORTS FIFA 22, is built on player skill and performance, the movement engine is core to the game and essential to delivering the player experience that the community has been wanting to see in the series for some time. You can learn more about the advantages of bringing real-life movement to football in EA SPORTS FIFA by watching the interview with Kinsale area manager, Martin McConville, in the video above. FIFA ULTIMATE TEAM – THE BIGgest game in the series and the biggest ever for the franchise. FIFA ULTIMATE TEAM is powered by FIFA 22's engine, with all the assets that include hundreds of stadiums, players, kits and more. For the first time in the franchise, players can train with and play against real-life opponents on FIFA Ultimate Team. And if that wasn't enough, you can now earn your share of the new FIFA World Cup™ bonus coins with the brand new FIFA World Cup™ Skill Game. FIFA WORLD CUP SKILL GAME – THE franchise's first Fifa World Cup Skill Game. As the FIFA World Cup™ kicks off around the world, you'll be able to earn free packs and FIFA coins with your FIFA World Cup™ knowledge. Earn points during the games, and power up your FIFA Ultimate Team squad with customised players that you've created. You'll also unlock unique player items that represent the top players who are making history in the World Cup. FIFA COIN GAME – Earn FIFA coins by playing Skill Game free-to-play matches or by completing other game modes, like Master League, Matchday and Ultimate Team Manager. You can also purchase currency packs for real money at any time in the FIFA Coin Shop. FIFA WORLD CUP 2018 PACKS – From the draw of the tournament in Russia to the excitement of the semi-finals and the eventual play-off for the world title, FIFA World Cup 2018 means it's all happening in the game. In addition to FIFA World Cup coin packs, the FIFA World Cup 2018 Coin Shop brings a host of unique items to FIFA Ultimate Team, including FIFA

Fifa 22 [Mac/Win]

The official videogame of the FIFA International Soccer Series and a flagship title for the FIFA franchise. The next chapter in the award-winning FIFA franchise combines unparalleled authenticity with the deepest set of features and gameplay innovations in the history of soccer videogames. FIFA is the most authentic football simulation video game. FIFA 20 is the 13th instalment of the best selling series and brings to life one of the most popular sports on the planet. FIFA 20 features all 32 professional teams and more than 1,000 players. FIFA 20 takes football to the next level with even more gameplay depth, realistic player movement and presentation, goal celebrations and fan experience. New features: GAMEPLAY Attacking intelligence: A new attacking intelligence system runs the game, adapting to player movement and tactical situation. Players respond quickly to pressure in the box, closing down space in the wings to eliminate counter-attacks. Smarter, stronger tackling: Players react faster and tackle stronger, shifting correctly and applying pressure on the ball. Intelligent run switching: Attackers automatically switch between run and pass during play, setting up pace for a one-on-one run. New dribbling: New gestures make it easier for players to open up space in tight areas. Improved heading controls: Headers feel more realistic and stable, thanks to a new, weighted approach that better reflects the skills of the modern striker. Improved ball physics: With data from over 30 years of FIFA gameplay and an all-new engine, ball physics are refreshed and improved, allowing us to better simulate the real ball to create a brand new type of football. Tripping penalties: Any obstruction to a player as he attempted to take a penalty will result in a foul. Players can be tripped out of the penalty area by defenders in an attempt to prevent a goal. We'll then award a penalty if they move the ball into the box. New penalty shootout: When the shootout kicks off, the players will hold their positions and behave like a real shootout. They will line up with their feet planted and take their positions, ready for the shootout to begin. Locked and unlocked players: The game is now fully compatible with Locked and Unlocked players. Unlocking players will impact the transfer budgets of the clubs. FIFA 20 lets you build up your Ultimate Team from 5000 FUT Points at an incredible pace and wage your battles in three competitions: UEFA Champions League
