(Posted on 2015-04-04 09:07:17) It has been one year since I started playing this game. I've been playing since then and the story is completed. While listening to the ending, I felt as if I was playing a movie. The music, images, text, and overall atmosphere were all exceptional. If you are thinking of trying this game out, do not hesitate. (Posted on 2014-03-05 17:44:41) A huge story that's surprisingly good. (Posted on 2014-03-05 17:43:20) I've liked it so much that I've played it for two years and I can't stop playing it. (Posted on 2014-02-14 10:57:54) It's basically a game of loot, where you run around in large dungeons and beat the game by collecting as much gold as possible. Once you've finished the story, you unlock new Dungeons, add a new city, equip new gear, and go on and on. I recommend this game. (Posted on 2014-02-13 21:04:25) I've played the game for around 5 months now and there's still no sign of the New Gods Ending. While I'm cool with it, not having some sort of closure is killing me. (Posted on 2014-02-11 11:47:12) I've been playing this game for some time now and although I haven't finished it, I have no regrets about making the journey. Even if you really liked the game and you're super excited, you won't find anything negative to say because this game is perfect. (Posted on 2014-01-28 23:43:00) Oh god this game. This game is my life. (Posted on 2014-01-28 23:42:36) If you play the story correctly and unlock everything, you'll be done in three months. The plot twists at the end are well done. (Posted on 2014-01-21 16:47:20) Thanks to the creator for making such a great RPG. (Posted on 2014-01-17 18:47:28) bff6bb2d33

Xbox One Platform: Visited Time Comment 2 days ago - Best Android app all time - Turk Hristos You can make all sort of combinations of food, the machine starts like a real full cooking range and you can enjoy the end results. 1 months ago - Best app ever, received from my wife hehe I have the pleasure of seeing what great job the author does to help the player with their gameplay and all the bug fixes and changes the developers make, the stability of this app is absolutetly amazing and i feel that everytime i update the app i find something new and i do not even want to update other apps just because i want play this masterpiece and it does not have anything beat

Burton, South Australia Burton (; also known as Tailem Bend) is a town in the Australian state of South Australia located in the state's east. The town was visited by the English explorer Matthew Flinders on 22 June 1803 whilst in command of the Investigator and Henry Waterhouse who was pursuing a coast survey with Phillip Parker King. Flinders named the town Burton in honour of his friend Lieutenant William Harwood Knyvet Burton, RN who had died only a few weeks earlier. The upper part of a rock in the town now known as the Tailem Bend boulder has the age 1855 - 1869 inscribed upon it. It had first been documented in 1867. References
