

The future of RPGs has begun. In Elden Ring, a brand-new fantasy action RPG, you are one of the mightiest Lords in the lands Between, who wield the power of the legendary Elden Ring. Generate a party of up to three characters, fight battles and explore an open world in which you can freely change the game's settings while advancing the story. With an aesthetic that combines the ancient and medieval, the game offers an epic adventure full of thrills and excitement.

- About the Games
- Create your own character in the Lands Between Save the princess and gather a party of up to three characters to fight alongside you! You can freely combine weapons, armor, and magic to develop the right combination for your play style! Broaden your imagination and select your play style to begin your adventure. Newly-created characters gain experience and advance in strength! Each character has different stats, enabling you to develop your strong points as you play through the story. Lead your party in battles as you explore the world and fight against enemies while advancing the story.
- Multiplayer Online In addition to creating your own character, playing with others is possible in the game. Online battles start at regular intervals. Even if there are no players online, battles can be contested. Players can directly connect to each other in order to take part in multiple battles or even travel together.
- Convenient and Spectacular Online Battles Real-time battles take place continuously, and there are many ways to play, so please enjoy every moment! In these multi-player online battles, players compete to form the highest-rank party.
- Play as an Asynchronous Online Champion Even when there are no players online, you can continue to enjoy the battle, and the game will not end even if there are no players online. Furthermore, there is a faster update system, so you can always enjoy the battles.
- Perfectly Support Games The game can be played using a PC, smartphone, tablet, or other portable device. Even using the latest portable device, you can enjoy a streamlined gameplay with no hindrances.
- Not For Min/Max Players Although it is possible to jump straight into hard battles, it is not advisable to play solely for the purpose of defeating bosses or achieving the highest level.
