I have noticed that for many papers in the same journal, authors put different methods of submission. For example, one paper submits with a LaTeX formatted preprint, and another with a Microsoft Word preprint. Does this have any impact on the paper? A: I don't know what the impact of the method of submission on the paper is, but I can tell you what the impact of an unpublished version is. If you submit a preprint to a conference, the attendees/reviewers will not know about it. If you submit it 6d1f23a050
