The Indian cricket icon and the subject of the upcoming documentary, Kapil Dev, is nothing short of an icon in Indian sports.

Kapil has been a part of Indian cricket ever since 1983. He was the first Indian player to take a wicket in 20 consecutive Tests, a feat that

was previously held by Australia's Ian Botham. He later led India to victory in the 1998 The World Cup and led India to win the ICC World T20 a few years later. Later he became the head coach of the Indian team under the new captainial regime. This monumental work earned him the coveted post of the coach of the Indian team for the World Cup, and rightfully so.

15) After all these years of continuous cricket championships, Bollywood finally decided to make a film on it in 2013. It takes a while for the nation to warm up to the idea of depicting India as a nation. But the intense patriotic fervour was met with a resounding thud

when that country finally woke up from its slumber, and decided to compete with them. Sunil Gavaskar narrates the story. The movie also stars Akshay Kumar, Katrina Kaif, Salman Khan, Virendra Saxena, Pulkit Samrat, and Sai Pallavi. Salim Khan turns out to be a more-than-capable agent, working for his friend Jugni Chawla (Deepika Padukone), who illegally sells foreign currency. Salim has to fend off cops, artists, and his own brother to get Jugni the money she needs to make the rest of her heist. He uses illegal means but succeeds in the end. The movie, a remake of the 2002 Kannada film *Yogarajyam*, also stars Shilpa Shirodkar,

Rajendra Kumar, Kunal Khemu, and Sushant Singh. 5ec8ef588b
