## Harry Potter Series 1080p Dual Audiol

harry potter is a franchise of books and movies. the books and movies are only partially connected. the best book to watch, if you are a harry potter fan, is harry potter and the order of the phoenix. it contains the events that happen in the movies, but it is really for the fans. the only people who read the books are the fans and those who see the movies. this is where the name of the series comes from. people call the series harry potter, not harry potter and the order of the phoenix. it is actually a movie. there are seven books in the series. the first one is harry potter and the philosopher's stone. the seventh and final book in the series is harry potter and the deathly hallows. the books in the series are written by j.k. rowling, who is one of the most famous authors of all time. harry is a boy who lives with his muggle grandparents in a little village in england. he is the only wizard living in the village. the muggle world is a world where people don't know that there is magic. it is a world where magic is real, but only wizards use magic. the wizarding world is a world where wizards use magic, but it is hidden from the muggle world. harry lives with his grandparents in the wizarding world. his grandparents are called dursley's. his uncle is named dudley, and his aunt is named petunia. harry's friends are named ron weasley and hermione granger. they are both muggle-born. harry's friends spend most of their time with him in the wizarding world. they are important to the story of the first movie. the movie opens in england in the summer. it is a sunny day. harry is asleep in his bed. the sun is shining into his room. a red diary falls out of the sky. 5ec8ef588b
