Hey reddit, is it possible to change the language of the game Right now I have the german version and want to play it in english. Any help

Spider-Man: Shattered Dimensions takes the webslinger to unique, unexpected worlds never seen before in a videogame. Content Rating. Violence, Mild Language. Spider-Man: Shattered Dimensions. SPIDER-MAN: SHATTERED DIMENSIONS v1.0 [ENGLISH] NO-DVD/FIXED EXE (3.12MB) Search for related No-CD & No-DVD Patch. 139 votes, 25 comments. Spider-Man: Shattered Dimensions [DODI Repack] Based on Reloaded release Language : English Repack Size : 4.3 GB. Spider-Man.Shattered Dimensions stands apart from other Spider-Man games because players can experience four universes on separate map locations, and then seamlessly connect the worlds to experience a single integrated adventure with varying experiences depending on the location of the Tablet of Order and Chaos. Or, if the Tablet of Order and Chaos is on the main map in the 'Chronopolis' area, players can work directly within the new graphical style at the 'Chronopolis' to experience a near-future version of Spider-Man's universe. Spider-Man.Shattered Dimensions, like all Spider-Man-based games, features fully-rendered graphics and incredibly lifelike player models, high-resolution environments, and dynamic physics and particle effects. Players are further immersed in the story with the most dramatic game experiences to date, allowing players to turn into their very own Spider-Man and see the world through his or her eyes. The game also features an innovative and accessible level design, a detailed encyclopedia and an extensive plot that keeps players immersed in this unique Spider-Man adventure.
