

Vampire: The Masquerade - Bloodlines Torrent Download _EXCLUSIVE_

Vampire: The Masquerade - Bloodlines is a very great game. The problem is that it is never purchased. Vampire: The Masquerade Bloodlines 1.6 is an enhanced version of the 2003 original, a debut full-length title in the long-running Vampire: The Masquerade franchise. The patches added many features to the game, including full 3D rendered graphics, text-replacement for dialogue, 100% voiced dialogue, and a separate "choose-your-own-adventure" mode.
